

Agenda

Mystic Lake Project Year 2005 Study Results meeting

October 18&19, 2005, Sheraton Hotel Billings, Montana

Tuesday, October 18

- 9:00 AM introductions and goals of meeting
- 9:30 AM attendees review results from 18 stakeholder and 2 FERC requested Project studies filed by PPL Montana with the Commission on October 3, 2005
- Noon lunch on your own
- 1:00 PM **if necessary:** attendees breakout into 4 resource area groups (cultural; fisheries, aquatic habitats and water quality; wildlife and terrestrial; and recreation, land-use and aesthetics) to discuss study result details
- 2:30 PM attendees reconvene for resource area updates and group discussion of results
- 4:00 PM meeting adjourns

Wednesday, October 19

- 8:30 AM attendees wrap up remaining discussion of Mystic study results
- 10:00 AM where do we go from here? Stakeholder discussion of ILP process and PPL Montana proposal to file a Mystic Project Preliminary Licensing Proposal (PLP) with the Commission on June 1, 2006
1. Schedule for completion of year 2005 (2003 through 2005) study reports
 2. Propose no second formal year (2006) ILP studies necessary though follow up data may be gathered
 3. Strive to develop a collaborative PLP with stakeholders
 4. May implement early PM&E measures in 2006 on case-by-case need and available budget basis
- Noon Meeting adjourns
